THE GORDON SMITH AWARD GOES TO JOHN KILMARTIN

This annual award, named after Australian Centurion Number 1, is awarded for the **Best Australian Ultra Distance Walking Performance of the Year**. Award criteria are as follows

1. It is restricted to the best SINGLE performance done in Australia.
2. All Australian Centurions will vote on a short list of performances, as proposed by the Executive.

Previous winners are	2005 Deryck Skinner (C 51)	2006 Stan Miskin (C 23)	2007 Terry O'Neill (C 18)
	2008 Deryck Skinner (C 51)	2009 Peter Bennett (C 24)	2010 Peter Bennett (C 24)
	2011 Michelle Thompson (C 58)	2012 Barry Loveday (C 62)	2013 Tim Erickson (C 13)
	2014 Michelle Thompson (C 58)		

As is always the case, we had a number of very worthy local nominations for 2015 and we whittled it down to a final 4 nominations for voting. I am pleased to announce that our 2015 winner is **John Kilmartin (C 67)**. Attempting his first 24 hour walk in April 2015, John powered through to his 100 miles with almost unbelievable consistency, never more than 1-2 seconds variation from lap to lap. His 50 mile splits tell the story: 10:33 followed by 10:38 for a final 100 mile time of **21:11:56**, becoming Australian Centurion 67 into the bargain. He then walked a couple of extra laps for insurance purposes and called it quits, job done for the day. A very impressive first up effort indeed!

THE 2015 CENTURIONS ANNUAL GENERAL MEETING

Having finalised our Gordon Smith winner, the 2015 Australian Centurions AGM was held at the Leighoak Club in Oakleigh on Sunday 31 January 2016, followed by lunch. Apart from presenting the prestigious award to John, the other main item of business was the election of a new Executive and Committee to lead the club for the next 2 years. Congratulations to our new committee

Club Executive	President	Terry O'Neill (C18)
	Vice President	Robin Whyte (C29)
	Treasurer	Lois Erickson

OUT AND ABOUT

Michael Harvey (C43) continues his running exploits. He has recently returned from 2 weeks traveling in India. While there, he ran the Mumbai marathon (3:27:30). He then came back through Thailand and picked up another marathon there a week later (3:26:27). Well done Mike!

I received a note recently from **Merv Lockyer (C30)** who wanted to let everyone know that he is still kicking on in country Victoria. He wrote: *I had my 84th birthday and completed a 25km walk to celebrate (time was 3 hrs 21 mins). I have been so sore ever since!*

Emmanuel Tardi has pointed me to an email advertising the publication of a book covering the inaugural Paris-Alsace ultra walk, held in June 2015. The hard cover book, written by Mathieu Weimer, is 96 pages in length and features

many photos, some text and the final race classification. Cost is 28 euros and it is available online: see <http://www.pixalib.com/fr/mathieu-weimer/paris-alsace-a-la-marche-2015>.

COBURG 6 HOUR TRACK WALK/RUN CHAMPIONSHIPS, COBURG, SUNDAY 6 MARCH

Another great set of results from the 2016 Coburg 6 Hour Championships, contested on Sunday 6th March at the Harold Stevens Reserve in Coburg. The 6AM start time proved its worth once again as the early cloud made for ideal running/walking conditions until the sun broke through around 10AM, in conditions almost identical to last year. The last 2 hours saw the temperature quickly climb but everyone was able to knuckle down in the sunny conditions and see it out.

As usual, runners were allocated to lane 1 and walkers were allocated to lane 3. This worked well. The Men's 6 Hour Run Championship was a ripper with Francesco Ciancio giving a running lesson to all present. Last year, he came 2nd with 83.695km, beating the current Australian record but having to play second fiddle to Dion Finocchiro who won with 85.037km. This time he was out to make amends and that he did, powering through to a new Australian Open and M35 6 Hour record of 85.265km. Behind him, Kevin Muller was on his own record breaking mission and he was also successful, bettering Yiannis Kouros' M45 record distance of 78.400km with a masterful 80.681km. The Women's 6 Hour Run Championship saw an inaugural win to Amelia Griffith in her first track ultra. Although a new runner on the ultra scene, Amelia is a real talent and confirmed her credentials with an excellent 70.945km.

But it is the walking results with which we are concerned in the context of this newsletter and these events also saw record breaking performances compliments of Australian centurions **Clarrie Jack (C4)** and **Michelle Thompson (C58)**. Clarrie, having turned 70 recently, made short work of the current M70 6 Hour walk record of 50.741km (set by fellow Centurion Robin Whyte last year), powering through to **512.227km**. Michelle, a perennial winner here at Coburg, was the fastest walker overall and her winning distance of **55.782km** bettered her W45 record distance of 55.731km and was only 83m short of her Australian Open record. We also added a 2 person relay category this year to enable long time supporters **Terry O'Neill (C18)** and **Karyn O'Neill (C45)** to participate. Walking in relay legs of 1 hour, they completed a distance of 50.974km.

And there is plenty to talk about from the other walkers. **John Kilmartin (C67)** was having his first race for a while as he recovers from a foot injury – all good with a tentative 47.338km. First time walkers **Albin Hess** impressed with 44.816 km – I think we will see more of him. NSW walker **Saul Richardson** was just outside his PB of 43.492km with his distance of 43.313 km. **Gary Turner** beat his best of 38.639km with his distance of 39.155km. **Sandra Howorth** beat her best of 41.300km with 42.021km and **Liz Wrigley** walked her first ever ultra with a great 39.160km.

19TH 8 HEURES DE CHARLY-SUR-MARNE, CHARLY-SUR-MARNE, FRANCE, SUNDAY 7 FEBRUARY

Thanks to our intrepid European correspondent Emmanuel Tardi who reports from Charly-sur-Marne, about 100km east of Paris, where the first ultra walk classic for the year was held. With the temperature around 10°C for the 8am start, conditions were good for the 80 walkers who negotiated their way through an opening lap of 1.075km, followed by laps of 2.575km. In the men's event, Pascal Bunel led the race the first 20km before Florian Letourneau took over, passing the 50km mark in 5:05:55, 10 minutes in front of 8 times winner David Regy at 5:15:15 and Philippe Gilles 5:16:41. The last hours were hard for the leader due to very strong winds but he hung on to win by 2 minutes from Philippe Gilles and David Regy with a distance of 73.175km. In the women's race 3 women finished with 63.875km, Sylvie Maison getting the nod ahead of Benedicte Salomez and Florence Pierre. 19TH LES 24 HEURES DE BOURGES, BOURGES, FRANCE, 27-28 FEBRUARY

The 19th edition of the annual Bourges 24 Hours walking race was held last weekend in Bourges, 250km south of Paris. This was the first of the 2016 Paris-Alsace qualifying races and was fiercely contested as usual. The 24H entrants walked an initial loop of 540m before settling down to laps of 2.688km (to enable an exact 100km time) before contesting a shortened loop of 629m in the final hour. The weather was very cold and walkers were forced to put on multiple layers of clothing to keep warm as the race progressed.

David Regy led the men's event early and was still in front when the sun came up on the Sunday morning. But it was **Philippe Gilles** who eventually won out with 189.554km, ahead of **Christophe Laborie** 184.404km and Regy 184.526km. The amazing 66 year old British walker **Sandra Brown (C36)** dominated the women's event, winning yet again with a very impressive 178.889km – she has won previously in 2009, 2010 and 2015. Yet another centurion finish for the most prolific ultra distance walker ever. Also great to see two other English centurions participating – Isle of Man walker **Andrew Titley** took 10th with 168.533 km and fellow Surrey Walking Club member **Kathy Crilley** finished in 30th place with 143.527km.

Sandra summed things up nicely as follows

Kathy, Andrew and I all enjoyed the event and were happy with our results. Perhaps the arctic temperatures by night helped to keep us moving! Among the leading men, the cold conditions seemed to cause some problems, including some retirements. The women seemed less affected. Bourges is a lovely city, with its cobbled streets, overhanging timbered houses, fine Renaissance mansions, and World Heritage cathedral famous for its C13th stained glass. It's always a pleasure to return there. We were told that 2017 will be the 20th edition of the 24h race. We're already looking forward to it!

The ancillary event saw walkers contest the first 6 hours and the last 6 hours of the race to make up a 12 Hour tally. **Jean Marie Rouault** produced a very good mark of 109.933 km.

In four weeks time, the long distance walkers will be back in action at Chateau Thierry for the French National 24 Hours Championships.

CENTURION AGES

Ever wondered if there was an optimal age for getting your centurion badge. Well, have a glance at this table and make up your own mind. It certainly shows to my mind that it is a challenge that appeals to the older rather than the younger athlete. But overall, ages range from 16 (**Bill Dyer C15**) to 72 (**Deryck Skinner C51**). If you see a trend here, you are a better man than me!

MULTIPLE CENTURION BADGES

Which centurions have achieved the largest number of centurion badges from the 6 clubs which regularly hold qualifying events? Going back to the 1970's when there were only 4 such clubs, it was easy. The first person to earn all available badges was **Chris Clegg** who got there in 1977. His 4 badges were earned as follows

June 1947	Age 30	London to Brighton and Back	21:39:42	British Centurion 135
Sept 1971	Age 54	Colombia, Missouri, USA	22:46:14	American Centurion 7
Oct 1975	Age 58	Melbourne, Australia	22:34:14	Australian Centurion 11
June 1977	Age 60	Sint-Oedenrode, Holland	23:18:55	Continental Centurion 53

With the New Zealand Centurions forming in 1998 and the Malaysia Centurions forming in 2001, it was now possible to earn up to 6 badges and two people have done so – **Sandra Brown** and **Jill Green**. Their qualifying performances were as follows

Sandra Brown:	1-2 July 1983	Leicester, England	22:18:24	British Centurion 735
	May 1984	St Oedenrode, Holland	21:05:07	Continental Centurion 131
	10-11 July 1999	Auckland, NZ	19:00:47	New Zealand Centurion 4
	18-19 Sept 1999	Melbourne, Australia	19:14:56	Australian Centurion 36
	19-20 Sept 2000	Golden, Colorado	22:35:45	American Centurion 50
	25-26 Aug 2001	Genting Highlands, Malaysia	182.032 km	Malaysian Centurion 7

Jill Green	20-21 July 1992	Leicester, England	23:13:59	British Centurion 898
	15-16 May 1999	Weert, Holland	22:13:52	Continental Centurion 282
	18-19 Sept 1999	Melbourne, Australia	21:15:35	Australian Centurion 38
	19-20 Sept 2000	Golden, Colorado	23:35:07	American Centurion 53
	07-08 July 2001	Auckland, NZ	22:18:08	New Zealand Centurion 8
	4-5 Aug 2003	Genting Highlands, Malaysia	164.350 km	Malaysian Centurion 20

Going down the list, **Herbert Neubacher** qualified in 5 of the 6 countries way back in 2001. Alas, he then retired from centurion walking so never got his sixth badge. His performances are as follows:

May 1989	Holland	21:21:57	Continental Centurion 203
13-14 Aug 1999	Battersea Park, London	21:40:38	British Centurion 959
18-19 Sept 1999	Melbourne, Australia	21:03:07	Australian Centurion 37
19-20 Sept 2000	Golden, Colorado	23:36:38	American Centurion 54
07-08 July 2001	Auckland, NZ	22:18:08	New Zealand Centurion 9

Sandra Brown, Herbert Neubacher and Jill Green in January 2004 – 17 centurion badges between them

More recently, **Geoff Hain, Rudy Schoors** and **Caroline Mestdagh** have also amassed 5 badges apiece.

Geoff Hain

16-17 Oct 2004	Adelaide, SA	23:30:38	Australian Centurion 49

19-20 Aug 2006	Isle of Man, UK	23:31:43	English Centurion 1051
17-18 Nov 2007	Grapevine, Texas	23:25:14	American Centurion 68

02-03 Oct 2010	Auckland, NZ	22:51:46	New Zealand Centurion 17

Rudy Schoors

28-29 July 2007	Battersea Park, ENG	23:37:45	English Centurion 1062
31 May – 1 Jun 2008	Schiedam, NED	23.00.52	Continental Centurion 367
19-20 April 2009	Coburg, VIC	22:01:45	Australian Centurion 55
5-6 June 2010	Minneapolis, MN	23.01.38	American Centurion 73
02-03 Oct 2010	Auckland, NZ	21:37:25	New Zealand Centurion 15

Since the Malaysian Centurions have now ceased operations, 5 is the most anyone can earn from now on unless a walker was lucky enough to earn a Malaysian badge while they were operating. There are some walkers in this situation.

There are 7 walkers who have achieved 4 of the 5 possible badges, 18 who have 3 badges and 234 who have 2 badges!
